

ACU-30/90

Slave Controller

ACU-30

ACU-90

Features

- ACU-30 works with RAC-340、RAC-520、RAC-820、RAC-852、RAC-920、RAC-930、RAC-940、RAC-960、RAC-970、HTA-850、HTA-852、HTA-856、HTA-860、HTA-870.
- ACU-30 works with L Type reader for RAC-2400、RAC-2400N、GCU.
- ACU-90 works with L Type reader for NCU only.
- Provide reader with 2 relays for control electronic lock and alarm or siren.
- Digital Output (DO) options - Normally Closed(NC) / Normally Open(NO).
- ESD / Surge protection design to protect devices & enhance communication quality.

Specifications

Output Ports	2 Relays (Electronic Lock x 1, Alarm or Siren x 1)
LED Indicator	Power
Power Input	DC 12V / 1A
Current Consumption	120mA (max.)
Operating Temp.	-10°C~ 55°C / 14°F~ 131°F
Relative Humidity	20% ~ 80% (Non-condensing)
Dimension	62mm(L) x 45mm(W) x 20mm(H)
Weight (Device)	58g

Ordering Information

Package Content:

- ACU-30 or ACU-90 x 1

Physical Dimension

Dimension: mm
